Balochistan Journal of Engineering & Applied sciences (BJEAS)

BJEAS is a biannual research journal published by the Balochistan University of Engineering and Technology (BUET) Khuzdar, through the Office of Research, Innovation and Commercialization (ORIC). It is dedicated to the dissemination of research among institutions, universities, researchers and students with the promotion of quality on national and international levels as its main objectives.

BUETK is a renowned degree awarding institute of Engineering and Technology dedicated to providing quality education and promoting research activities in Pakistan and on international levels as well. It is a public-sector university established by the Government of Pakistan in 1987 and is approved and recognized by Higher Education Commission (HEC) of Pakistan and Pakistan Engineering Council (PEC).

Guidelines for authors

BJEAS seeks to publish research papers that identify, extend, or unify scientific knowledge and research pertaining to engineering and applied sciences.

The researchers/ authors are requested to submit well-researched and original unpublished papers, not already submitted to another journal for publication. Papers are accepted after approval through a process of double-blind peer-reviewed by independent reviewers.

Copyright

All the research papers published in this issue are licensed under the p-ISSN No: 2518-2706. Which permits unrestricted, non-commercial use, distribution and reproduction in any medium, provided the work is properly cited.

Patron-in-Chief's Message

I am delighted to have the opportunity to share a few thoughts at the time of publication of the second issue of BJEAS. In this era of technological advancements, it is necessary that research work carried out in various engineering and sciences disciplines is recognized and propagated properly. BJEAS is a step towards disseminating high-quality research nationally as well as globally while maintaining the unique recognition of Balochistan. I believe that this Journal will become a hallmark of research in the future. As Patron-in-Chief, I will ensure that BJEAS remains in line with rapidly shifting scientific communication landscape, while also maintaining and intensifying the high standards of academic excellence.

I sincerely hope that research articles published by BJEAS will provide insightful and stimulating information to readers and scholars that will shape our future and lead the way to extraordinary discoveries.

Prof. Dr. Ehsanullah Khan Kakar
Vice Chancellor
Balochistan UET, Khuzdar

Aims of Journal

BJEAS is a quality publication of peer-reviewed and refereed journal from diverse fields in sciences, Engineering and Technologies that emphasizes new research, development and their applications. BJEAS provides an open-access forum for scientists, scholars, researchers and engineers to exchange their research work, technical notes & surveying results among professionals through print and online publications.

Scope of Journal (but not limited to)

- Applied science
- Electrical engineering
- Electronic engineering
- Power engineering
- Acoustical engineering
- Thermal engineering
- Automotive engineering
- Naval architecture
- Bioprocess engineering
- Aquaculture engineering
- Automation/Control systems/Robotics
- Construction
- Manufacturing
- Biological engineering
- Genetic engineering
- Biological organisms
- Protein engineering
- Energy engineering
- Manufacturing engineering
- Systems engineering
- Textile engineering
- Reliability engineering
- Nanoengineering
- Petroleum engineering
- Mathematics
- Computer engineering
- Optical engineering
- Mechanical engineering
- Manufacturing engineering
- Vehicle engineering
- Aerospace engineering
- Agricultural engineering
- Food engineering
- Applied engineering
- Computer-aided drawing and design
- Electronics
- Graphics
- Nanotechnology
- Biomedical engineering

Review Policy of Journal

This journal has zero tolerance against plagiarism. All submitted papers are scanned through an approved Plagiarism detection software as per HEC guidelines. After plagiarism check, the papers are reviewed under double-blind peer review process.

Submission and acceptance of papers depend upon the response of the reviewers. Plagiarism checking, and review process may take from four weeks to eight weeks depending upon the response from the reviewers and compliance from authors. After satisfactory review, the Editorial Board accepts the paper for publication and acceptance letter is issued to the author(s).
